Official Diary

Monday, 10 December 1951

Attended Assistant Directors' meeting.

25X1 Attended special meeting called by the Director to establish ground rules on support of operating offices and undertook to prepare record memorandum of that meeting and clear with [redacted] Johnston, et al.

25X1

25X1 For the record, [redacted] informed me that the intelligence being given
25X1 to the [redacted] (as referred to in the Log and in a recent diary item) was
25X1 locally produced [redacted] material and this did not involve dissemination of CIA
evaluated information.

25X1 [redacted] of OSI phoned stating that there was some mixup about
25X1 the transfer of people from [redacted] to CIA [redacted] and that Saunders
25X1 would not act because he had not been informed of the agreement. On checking
I found that all the facts respecting this agreement had been given to [redacted]
25X1 [redacted] and I contacted his office and asked that he see that Saunders was
25X1 informed. Informed [redacted] of this.
